To whom it may concern:

As Sheriff of Jefferson County, Florida it has been my pleasure for many years to work with Major Alan Lamarche, Captain Rich Lettera and the other fine Officers of Plantation Security, Inc.

The Plantation Security Officers are mostly retired and local Law Enforcement Officers that I have known and worked with for years. They are true professionals that provide a valuable crime deterring service to the rural areas that they patrol and their presence has become a comfort to the Plantation Community.

My Deputies feel as I do that they can call on any Plantation Security Officer for assistance and they will respond in a timely manner. There is a mutual respect between both of our operations that creates a valuable asset for Jefferson County.

Sincerely,

David C. Hobbs, Sheriff
Jefferson County, Florida
